COUNTY REDEVELOPMENT AGENCY SURVEYS LUCERNE RESIDENTS, SEEKS COMMUNITY INPUT

LAKE COUNTY, CA – The Lake County Redevelopment Agency is distributing a Community Opinion Survey to the residents of Lucerne to gather community input on a variety of topics. The survey, which currently is being mailed to residents of Lucerne, is a tool to help develop a common vision among community members to assist in planning future redevelopment efforts in Lucerne.

Community members are encouraged to complete the survey and return it to the County Administrative Office by Friday, May 25, 2007. The survey should take 10 to 15 minutes to complete and may be hand-delivered or mailed to the County of Lake Administrative Office, 255 N. Forbes St., Lakeport, California 95453.

Alternatively, completed surveys may be submitted at either of two drop-box locations in Lucerne at the Lake County Visitor Information Center, 6110 E. Highway 20, or at the Lucerne Alpine Senior Center on Country Club Drive.

Eric Seely, Deputy Redevelopment Director, will lead the redevelopment team in evaluating the surveys and gathering community input to determine the needs of residents. This survey is part of the Agency's ongoing efforts to revitalize the communities in the North Shore Redevelopment Project Area.

Any Lucerne resident who has not received their survey or anyone who has questions about the survey or the progress of revitalizing Lucerne may contact Eric Seely in the Lake County Administrative Office at (707) 263-2580.
