CLEAR LAKE SPLASH-IN SEPTEMBER 24 – 26, 2010

LAKEPORT, CA – The 31st-annual Clear Lake Splash-In, the largest gathering of seaplanes west of the Mississippi, will be held in Lakeport Friday, September 24, through Sunday, September 26. The public can get a close-up look at float planes on Saturday, talk with pilots, and witness a spectacle of aerial events including water-bombing contests, a parade of seaplanes, fly-bys, and more. Seaplanes and amphibians at the Splash-In will include Grummans, Republics, Lakes, Cessnas, Pipers, deHavillands, and a variety of experimental aircraft modified with floats.

For pilots, registration is from noon to 5:00 p.m. on Friday, September 24, at the Skylark Shores Resort, 1120 N. Main Street. The Skylark Shores Resort docks will serve fixed-float planes and the ramp at the Natural High School field is available for amphibious seaplanes. Land planes or aircraft unable to land on water more than once will be welcomed at Lampson Field, a few miles away. Shuttle service will be available Saturday and Sunday from Lampson Field to the seaplane venues.
